

Antiquity's Mays festival

Antiquity takes us back to the late 1800's. At the festival, visitors will be able to see many shops and areas greatly filled with history. To enhance the festival free clothes and goodies will be given away, therefore giving pizzas to the guests.

The festival will be featuring many great rides, including the ferris wheel, maze and a tunnel of love, candy floss, ice cream, dancing in the park.

Also to spice all of that, there will be a gipsy camp, where everyone will be able to buy everything at a great bargain.

So in conclusion if you are bored and don't have anything to do, just jump in into the festival and have some fun. There is a big chance we will see eachother.
